# The Sarasota Tiger Bay Club

**A non partisan  
political  
organization**

**The Tiger Bay Club** is a Florida-based non-partisan political organization. We are open to all individuals and corporations interested in political dialogue and discussion. The Charter and By-Laws of the organization prevent it from endorsing candidates or taking sides in political campaigns.

The original club was founded in Tallahassee by Dan Cunningham in 1971 after meeting with then Governor Reubin Askew, who agreed there was a need for a new uniquely and specifically political organization instead of the usual civic organization. The first chapter was formed in Tallahassee with the first meeting hosting Governor Askew.

#### **Our Beginnings**

The Sarasota Tiger Bay Club was incorporated in March 1984 by a group of local businessmen and women.

#### **Our Mission:**

To promote community understanding of current political and social issues, through public discourse and the free exchange of ideas.

#### **Our Membership:**

Open to the public, however, our members get first preference and guests are asked to limit their attendance to two meetings, per year before joining.

The member cost for lunch is \$23 and guests pay \$28. If you make a reservation and don't show - you'll reimburse the club prior to your next meeting attendance.

See following pages for a membership application or go to our website for more information on membership.

#### **Our Meetings:**

Our early programs featured The Mayflower Madame, candidates in local elections, Astronaut Norm Thagard, and our Governor and we hit on such issues as Prostitution/Aids, Consolidation, One cent sales tax, ethics of journalism, juvenile crime and our health care system.

Today, some of the same issues hold importance in the design of our programs and we're adding programs on our environment, funding the justice system, the economy and we bring you candidates for elected office.

Our dinner banquets have welcomed national celebrities such as: William Webster, Oliver North, George Will, Chris Matthews, Bill Bradley, George Stephanopoulos, Bob Woodward, Newt Gingrich, Sam Donaldson, George Tenet and James Carville, just to name a few.

#### **Our Board:**

Our board members actively participate in every aspect of our organization and they welcome your input. Something you'd like to see changed? Do you have program ideas? Let us know.
